FRESH PAINT

Fresh Paint's decorative painters have a passion for color, texture and transforming rooms into luxurious, loved spaces. Choose a subtle finish to reflect a calming mood, or dramatic textures and murals to reflect a bold style and theme. These locally-recognized and awarded artists want to bring their color expertise and master talent to your space.

DESIGN ONE INTERIORS

Details can make the difference in overall design. These custom crafted doors are inspired by the wonders of nature, and feature sand-blasted and frosted glass adorned with a mountain motif, gold-leaf aspen branches, and the natural scenery below. Back-lighting subtly highlights this intricate design element. Let Design One Interiors bring your dreams to life with details that complete your home design.
